## PEWS NEWS for June 2016

### A WARM WELCOME TO THE FIRST 'PEWS NEWS' IN THE HEART OF NORFOLK...

This printed news-sheet is a trial to see how you like it. Your reaction to how useful you find it will help decide what form it takes in future or whether it has a future at all. The long-established magazines that between them cover our Benefice will continue but Pews News will highlight the headlines across the whole Benefice alongside the new Benefice website (as above). Please send your thoughts to Sally or to [heartofnorfolkchurches@gmail.com](mailto:heartofnorfolkchurches@gmail.com) which is also where we would like you to send news of any parish or community event for listing here and on the Benefice website.

We hope you like our new logo (above) which can be used throughout the Benefice on letterheads, noticeboards and the like.

### LEARNING FOR CLERGY AND READERS

A wealth of training has been announced by the Diocese for Clergy, Readers and Licensed Lay Workers; about 15 separate events in total from now until November. If these may be of interest to you and you are unsure if you have the list then email us and we can forward it to you.

### **PART-TIME BENEFICE ADMINISTRATOR**

Do you know of anyone who might just be interested in helping Sally to deal with the paperwork and ensuring all the records are kept properly? Please either tell Sally [sally.kimmis@live.co.uk](mailto:sally.kimmis@live.co.uk) or, even better, ask the person themselves to contact Sally.

### **BENNY FIZZ**

Let's introduce you to our little church mouse. He is a friendly little chap called Benny Fizz.

Now Sally has an even bigger group of parishes to look after, Benny is very excited about having more lovely churches and churchyards to scamper around.

When Benny calls in, he often takes a 'selfie' as a keepsake of the good time he has exploring. Mondays are the best days as he finds crumbs from the refreshments on the day before. He would like to share his 'selfies' with you. This month he has scuttled along to three of the churches in our new Benefice and you can see his pictures on the website [www.heartofnorfolkchurches.org.uk](http://www.heartofnorfolkchurches.org.uk) Please have a look so you can get to know him better.

Can you see where he scuttled to this month? If you think you know then please do email your answers to Benny at [heartofnorfolkchurches@gmail.com](mailto:heartofnorfolkchurches@gmail.com) In the next Pews News, Benny will tell you who sent in the right answers and one lucky person with the right answers will win a small prize too. But Benny says Sally must not play this little game because that would be unfair!

### **CHURCHYARD CONSERVATION SCHEME**

Four churchyards in the County Wildlife Action Project are at Heart of Norfolk Churches. Foulsham, Guestwick, Stibbard and Themelthorpe have volunteers recording wildflowers and habitats.

### **'PUNCHING THE AIR'**

Sally is having good practice at doing this. While Stibbard's building works are already underway, Sally was pictured in the EDP back in March leaning over the front wall at Wood Norton along with Jenny and Paul Marchant and Norman Johnson to celebrate funding of over £200k to secure the future of All Saints. Then in April, Sally leant over the wall again for the EDP. This time it was at Holy Innocents, Foulsham with David McNeil to announce a grant of £160k for repairs there. So now three churches in our Group will reap the benefits of Lottery money.
