

A Prayer for Easter

How wonderful, how marvellous, is Your love, Jesus! To think that You were willing to go through that for me!

What a day of rejoicing that must have been when You rose and realized it was all over— You had won the victory! You had accomplished Your mission. You had made the way for the world to be saved. You had gone through the horrors of Hell and death for us, and it was over.

You arose in victory, joy, liberation, and freedom from the hands of evil men, never to have to go through that again—and You did it all to spare us the same. Now we can say with the apostle Paul, “O death, where is your sting? O Hades [grave], where is your victory?” (1 Corinthians 15:55-57).

As I think of the seemingly terrible defeat that You suffered and how it resulted in such a tremendous victory, it fills me with wonder and gives me such hope and peace. Surely You and Your love will see me through whatever troubles may come my way, from now till eternity! Amen.

Plastic Pollution: Were you horrified at the state of the seas as seen on TV? The land fill problems? To see the world is drowning in plastic. If so maybe you have you been taking part in the Plastic-less Lent Project?

If you were on this journey throughout Lent and want to continue reducing the use of single use plastic it would be good to share some ideas of how to cut back on this highly detrimental waste in our bins which is so devastating to the environment.

Send your successes and frustrations and we can share them in Pews News and maybe encourage others make a difference.

Example. My cat has been eating 3 pouches of food a day, these are not foil as I had thought, that amounts to over 1000 plastic pouches every year in my bin. I have had him for 6 years. It has been difficult, but have changed him onto canned food. Tea bags have also been ditched! Not a lot, but a start and as the ad says, Every Little Helps!
